Denton Avenue Students Go to Shiro of Japan to Make Sushi

In culmination of their unit on Japan, third graders at Denton Avenue Elementary School had the opportunity to visit a Japanese restaurant. At Shiro of Japan the students had a tour of the restaurant and learned more interesting facts about Japanese culture and traditions. The third graders enjoyed a delicious and entertaining meal and during the sushi-making demonstration some students were able to prepare sushi for their classmates.

Students pose for a "photo-op" before entering the restaurant.

The kids had a look at the backstage action of the restaurant.

Third graders from Denton Avenue were very attentive during the sushi-making instruction.

Frank Tricouros prepares sushi for his classmates.

Erin Rivera makes delicious California rolls.

Children in Ms. Miller's third grade class wait patiently for their lunch.
